ABC OF FOUNDER

about founder

Alla Dinesh Reddy

Managing Director

Started as a Junior Developer in 2013, mastering software development, database management, and AWS. In 2022, I founded DT7 Solutions, offering digital services like website development, social media management, and e-commerce solutions. Following its success, I launched DT7 Agency, specializing in design, digital marketing, and branding. Additionally, I am a Managing Partner at multiple ventures. As a **certified Digital Marketing Growth expert from IIM Visakhapatnam**, I am passionate about driving business growth through smart digital strategies.
